Hi Lisa,

It is possible to have No Parking 12AM to 6AM however, it will take longer to maintain these signs in the future as they would need to be fabricated. Therefore, it is recommended that standard stock no parking signs be used.

Handicap placards are not exempt from No Parking restrictions. They are exempt from time limited restrictions and paying at meters.

Dear Jeannie:

Is it possible to have the following parking restriction:

No Parking 12am to 6am

Does this exemption allow Handicap placards?

Hi Lisa,
A petition and an LAPD letter signed by the Captain would be required to change this restriction. Attached is the parking petition.

Dear Jeannie:

I am reaching out to you regarding a request to change the existing Signage from: **2Hr. Parking 10pm to 6am to NO PARKING 6pm to 8am 7 days a week.**

Can you please let me know what we will need to accomplish this task? Do I need a petition from the owners – if so please provide it so that I can garner the necessary signatures.

Thank you
